CHAPTER 5 PERSONNEL PRACTICES

SECTION 6 CONFLICT OF INTEREST CODE

6.01 DEFINITIONS

The definitions contained in the Political Reform Act of 1974, regulations of the Fair Political Practices Commission (2 Cal. Code of Regs. Sections 18100, *et seq.*), and any amendments to the Act or regulations, are incorporated by reference into this conflict of interest code.

6.02 DESIGNATED EMPLOYEES

The persons holding positions listed in the Appendix are designated employees. It has been determined that these persons make or participate in the making of decisions which may foreseeably have a material effect on financial interests.

6.03 DISCLOSURE CATEGORIES

This Code does not establish any disclosure obligation for those designated employees who are also specified in Government Code Section 87200 if they are designated in this code in that same capacity or if the geographical jurisdiction of this agency is the same as or is wholly included within the jurisdiction in which those persons must report their financial interest pursuant to Article 2 of Chapter 2 of the Political Reform Act, Government Code Sections 87200, *et seq.*¹ In addition, this code does not establish any disclosure obligation for any designated public officials who are designated in a conflict of interest code for another agency, if all of the following apply:

(A) The geographical jurisdiction of this agency is the same as or is wholly included within the jurisdiction of the other agency;

(B) The disclosure assigned in the code of the other agency is the same as that required under article 2 of chapter 7 of the Political Reform Act, Government Code Section 87200; and

(C) The filing officer is the same for both agencies.

¹ Designated employees who are required to file statements of economic interest under any other agency's Conflict of Interest Code or under Article 2 for a different jurisdiction, may expand their statement of economic interests to cover reportable interest in both jurisdictions, and file copies of this expanded statement with both entities in lieu of filing separate and district statements, provided that each copy of such expanded statement filed in place of an original is signed and verified by the designated employee as if it were an original. See Government Code Section 81004.

Such persons are covered by this Code for disqualification purposes only. With respect to all other designated employees, the disclosure categories set forth in the Appendix specify which kinds of financial interest are reportable. Such a designated employee shall disclose in his or her statement of economic interest those financial interests he or she has which are of the kind described in the disclosure categories to which he or she is assigned in the Appendix. It has been determined that the financial interests set forth in a designated employee's disclosure categories are the kinds of financial interest which he or she foreseeably can affect materially through the conduct of his or her office.

6.04 STATEMENTS OF ECONOMIC INTERESTS: PLACE OF FILING

All officials and employees required to submit a statement of economic interest (employees in Designated Positions) shall file their statements with the General Manager, or his or her designee. The District shall make and retain a copy of all statements filed by Designated Positions and forward the originals of such statements to the Executive Office of the Board of Supervisors of San Diego County. All retained statements, originals or copies shall be available for public inspection and reproduction. (Cal. Gov't Code § 81008)²

6.05 STATEMENTS OF ECONOMIC INTERESTS: TIME OF FILING

(B) Assuming Office Statements. All persons assuming designated positions after the effective date of this code shall file statements within 30 days after assuming the designated positions, or if subject to State Senate confirmation, 30 days after being nominated or appointed.

(C) Annual Statements. All designated employees shall file statements no later than April 1.

(D) Leaving Office Statements. All persons who leave designated positions shall file statements within 30 days after leaving office.

STATEMENTS FOR PERSONS WHO RESIGN PRIOR TO ASSUMING OFFICE

Any person who resigns within 12 months of initial appointment, or within 30 days of the date of notice provided by the filing officer to file an assuming office statement, is not deemed to have assumed office or left office, provided he or she did not make or participate in the making of, or use his or her position to influence any decision and did not receive or become entitled to receive any form of payment as a result of his or her appointment. Such persons shall not file either an assuming or a leaving office statement.

(A) Any person who resigns a position within 30 days of the date of a notice from the filing officer shall do both of the following:

1. File a written resignation with the appointing power; and
2. File a written statement with the filing officer declaring under penalty of perjury that during the period between appointment and resignation he or she did not make, participate in the making, or use the position to influence any decision of the agency or receive, or become entitled to receive, any form of payment by virtue of being appointed to the position.

B. This section shall not apply to the following types of loans:

1. Loans made to the campaign committee of the elected officer.

2. Loans made to the elected officer by his or her spouse, child, parent, grandparent, grandchild, brother, sister, parent-in-law, brother-in-law, sister-in-law, nephew, niece, aunt, uncle, or first cousin, or the spouse of any such person, provided that the person making the loan is not acting as an agent or intermediary for any person not otherwise exempted under this section.

4. Nothing in this section shall exempt any person from any other provision of Title 9 of the Government Code.

District officers, members of the Board of Directors, and all other District employees (collectively, "district personnel") shall comply with this Incompatible Activities policy pursuant to California Government Code §§ 1126, et seq.

District personnel shall not engage in any employment, activity, or enterprise for compensation which is inconsistent, incompatible, in conflict with, or inimical to his or her duties as a member of the Board of Directors, or with the duties, functions, or responsibilities of his or her appointing power or the agency by which he or she is employed.

The outside employment, activity, or enterprise of district personnel is prohibited if it: (1) involves the use for private gain or advantage of his or her local District time, facilities, equipment and supplies; or the badge, uniform, prestige, or influence of his or her local District office or employment or, (2) involves receipt or acceptance by district personnel of any money or other consideration from anyone other than the District for the performance of an act which district personnel, if not performing such act, would be required or expected to render in the regular course or hours of their local District employment or as a part of their duties as a local District officer or employee or, (3) involves the time demands as would render performance of his or her duties as a local district personnel member less efficient.

Nothing in this policy shall be interpreted to prohibit any outside employment, activity, counsel, or enterprise on behalf of another governmental entity, subject to common law and professional conflict of interest rules.

Copies of this regulation shall be posted in prominent places at the District Office. District personnel who violate this regulation may be subject to discipline as set forth in the applicable Code of Ordinances and Policies. Board of Directors members who violate this section may be subject to censure. Disciplinary appeals by district personnel shall be handled pursuant to applicable Code of Ordinances and Policies.
